STRATEGIC PLAN

2022 - 2027

[May 2023]

The Pontifical Commission for the Protection of Minors (PCPM)

The Pontifical Commission for the Protection of Minors Strategic Plan 2022-2027

Our Vision is a *culture of care* and protection throughout the Church, prioritizing the needs of victims and fostering a community where children and vulnerable individuals will be fully protected from harm

Our Purpose is to safeguard children and vulnerable individuals from abuse in the Church, promote a culture of protection, and ensure a safe environment. We support the Church to realise a future where every individual feels safe, valued, and protected

Our Mission is to ensure that robust policies and practices for the prevention and management of all forms of abuse are in place. We evaluate the adequacy of the local Church's responses and foster education of our community on safeguarding practices, promoting support and resources for victims of abuse

Our Values are the Church's teachings on dignity, protection, justice, and mercy, prioritizing accountability, transparency, and adherence to norms and laws. Our actions are guided by the core values of compassion, integrity, and justice in promoting safeguarding within the Church

Our Strategic Objectives

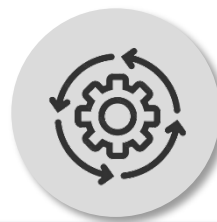

Reinforcing governance, management and operational structures

Establishing robust Safeguarding guidelines for the Church

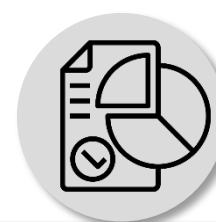

Provide capacity building initiatives for the local church and the Roman Curia

Monitoring and evaluating Safeguarding guidelines and practices in local churches

Integrating Safeguarding into the Church's Ad Limina process

Producing an annual report on the Church's safeguarding approaches offering proposals for ongoing Improvement

Develop a comprehensive *Ratio Fundamentalis* to guide all safeguarding activities
